

4 TOP FOUR SUPPLEMENTS FOR YOUR PET

by Susan Merenstein

At Murray Avenue Apothecary, we partner with you and your pet to provide optimal health.

That's why we carry pharmacist selected and designed supplements for pets! Just as humans need vitamins and supplements to stay healthy, your pets do too! Among the many supplements that we carry, our Top Sellers are MAA Dog Multivitamin Chews, MAA Cat Multivitamin Chews, Natural Flea & Tick Spray, and Healing Rub for Hot Spots & "Itchies".

MAA DOG MULTIVITAMIN CHEWS

"MAA Dog Multivitamins are the best my dog has ever had! They keep him in great health!"

A complete multi-vitamin/mineral formula with digestive enzymes for dogs of all ages and breeds. Dog Multi is specifically formulated with a balance of vitamins, minerals, amino acids, fatty acids, digestive enzymes, antioxidants and other factors that work synergistically to help maintain the physical well-being of your dog. Dog Multi provides rapid conditioning of sick or post-operative dogs, and helps to maintain optimum health in dogs and puppies of all breeds, sizes, ages and activity levels. It is also beneficial for breeding dogs, pregnant and lactating bitches and stud dogs. Dog Multi incorporates over 55 synergistic factors, not always found in dog food or ordinary supplements, including water and fat-soluble vitamins such as, Vitamins A,C,D,E and a complete and balanced Stress B Complex including all eleven B Vitamins in their proper ratios. It has enteric-coated digestive enzymes to support absorption and utilization of factors from the dog's diet. It contains Linoleic Acid (Omega 6 Fatty Acid) to support healthy skin and coat, and eleven vital minerals to support proper composition of body fluids, formation of red blood cells and bone, as well as maintenance of healthy nerve function and Antioxidants (A,C,E and Selenium) to support the immune system. Dog Multivitamins are also very palatable chicken liver flavored soft chews.

MAA CAT MULTIVITAMIN CHEWS

"My cat looks healthier than ever with MAA Cat Multivitamins. They also keep her coat looking beautiful."

A complete multi-vitamin/mineral supplement with digestive enzymes for cats of all ages and breeds, specifically formulated to help maintain the physical and mental well being of cats.

It provides over 40 nutrients including Taurine to support ocular, neurological, reproductive and cardiovascular health; Omega 3 and 6 fatty acids to support healthy skin

and coat; digestive enzymes that are enteric coated to support absorption and utilization of health building nutrients from the cat's diet; and B Complex that is complete and balanced providing all eleven B Vitamins. It also contains New Zealand Green Mussel which is a rich source of glycosaminoglycans including chondroitin sulfates and hyaluronic acid to support joint health. It's also a good source of Fatty Acids (omega 3, 6, 9) to support immune system function, skin health, and regulate metabolic functions as well as Amino acids to support growth and development of all body tissues and Glycoproteins to improve bladder health and support G.I. tract health. Cat Multivitamins also have antioxidants A, C, E and Selenium to help support proper immune system function. Cat Multi incorporates important nutrients not always found in cat food or ordinary supplements, and are also very palatable chicken liver flavored soft chews.

NATURAL FLEA & TICK SPRAY

"Flea and Tick medication gets expensive! For less money, MAA's Flea & Tick Spray works just as well and covers more area."

Our natural repellent protects your pets from fleas, ticks, mosquitoes and flies. Our Flea & Tick Spray contains oils that keep pests from detecting a desirable scent from their skin thus creating avoidance, and does not contain any drugs or synthetic chemicals. Our key ingredients are Lemongrass Oil 4%, Cinnamon Oil 1%, Sesame Oil 1%, and Castor Oil 0.5%.

HEALING RUB FOR HOT SPOTS & "ITCHIES"

"My dog kept me up at night with excessive Hot Spot and allergic scratching. I put Healing Rub on the area, and within half an hour, the itching stopped...and I slept."

Try our Healing Rub for humans and animals. Its key ingredients are Zinc, Tranilast, Aloe, and Hydrocortisone. It may help hot spots, itching, and persistent licking. In humans, it is great for poison ivy, skin rashes, and skin inflammation. ♦
